

# Environmental Sciences Minor

Contact: Dr. Dawn Holliday  
 Email: dawn.holliday@wcmo.edu

Note: Students must receive a C- or better for all minor courses. At least 33% of all the hours used to satisfy the minor (7-9) must be Westminster courses.

## ACADEMIC REQUIREMENTS SUMMARY SHEET

ACADEMIC YEAR 2024-2025

MINOR: ENVIRONMENTAL SCIENCES

|                     |            |                |
|---------------------|------------|----------------|
| Student's Last Name | First Name | Middle Initial |
|---------------------|------------|----------------|

|         |                     |
|---------|---------------------|
| Advisor | Date Major Declared |
|---------|---------------------|

| Course Code   | Title                                 | Hours | Semester | Grade |
|---|---------------------------------------|-------|----------|-------|
| <i>Required Course</i>  |                                       |       |          |       |
| ENV 105   | Environmental Science with lab        | 4     |          |       |
| <i>Social Sciences/Humanities: Choose two of the following (6 hours)</i>          |                                       |       |          |       |
| ECN/ENV 377   | Environmental & Resource Economics    | 3     |          |       |
| PHL 246   | Environmental Ethics                  | 3     |          |       |
| POL 326   | Environmental Politics & Policy       | 3     |          |       |
| <i>Physical Science/Geology: Choose two of the following (6-8 hours)</i>          |                                       |       |          |       |
| GEO 108   | Intro to Physical Geology             | 4     |          |       |
| GEO 116   | Environmental Geology                 | 4     |          |       |
| GEO 317   | Surficial Geology                     | 4     |          |       |
| GEO 305   | Hydrogeology                          | 3     |          |       |
| GEO 327   | Weather and Climate                   | 3     |          |       |
| GEO 330   | Applications of Geographic Info. Sys. | 4     |          |       |
| <i>Ecology &amp; Resource Management: Choose two of the following (6-8 hours)</i> |                                       |       |          |       |
| BIO 205   | Ecology and Field Biology             | 4     |          |       |
| BIO/ENV 210   | Biogeography                          | 3     |          |       |
| BIO 310   | Environmental Toxicology              | 3     |          |       |
| ENV 350   | Conservation Biology                  | 3     |          |       |

| Course Code                  | Title           | Hours        | Semester | Grade |
|------------------------------|-----------------|--------------|----------|-------|
| GEO 340                      | Earth Materials | 4            |          |       |
| BIO/GEO/ENV<br>320/321       | Travel Course   | 4            |          |       |
| <b>Total Hours For Minor</b> |                 | <b>21-23</b> |          |       |

If any substitutions or waivers of requirements are allowed, please list below and initial.
